work and a specific clause to that effect will be incorporated in the agreement. Rates for non-tendered and non-estimated items of work, if executed, will be paid according to the prevailing schedule of rates or as per data worked out during execution. The rates quoted should be inclusive of sales-tax will be considered.

6. Every tenderer should furnish an income-tax clearance certificate along with the tender or at lease at the time of executing the agreement failing which his tender will be cancelled and his earnest money deposited will be forfeited.

7. The contractor shall be bound by the departmental rules in force in the matter of execution of work, arranging and aligning the work.

8. No conditional clause will be accepted.

9. The decision of the departmental officers of and above the rank of the Executive Engineer, in all matters of disputes as regards quality, quantity and rate for any item of work shall be final and legally binding.

10. The stipulated progress should be shown from the very commencement of work and failure to show the required progress will entail forfeiture of all dues from the department as well as imposition of penalty as the department may think fit.

11. The department reserves unto itself the right to reject any or all tenders without assigning any reason therefor.

12. Abstracts of approximate quantities are appended to the prescribed form. The quantities therein are only approximate and are likely to vary. The successful tenderer is bound to execute all items of work even if they are at variance with the quantities in the abstract.

13. The lowest tender for each item of work as noted under will be taken into account in deciding the tender.

14. The tenderers are requested to quote individually for each item of work detailed below and not on percentage basis of the estimate.

OFFICE OF THE EXECUTIVE ENGINEER, UPPER CAUVERY DIVISION, KRISHNARAJANAGAR.

Notification.

Sealed tenders duly signed by the contractors will be received by the undersigned up to 4 P.M. on 14th September 1953, for constructing a masonry ane and opening out a feeder channel to Nagaraghatta Tank.

For each item of work individual rates may be quoted both in words and figures.

For lumpsum provision and for non-tendered items the rates will be paid as per minimum current schedule in case of scheduled items. For other items rates based on the data got upon the minimum current schedule will be allowed.

Printed tender forms can be had at the Office of the Executive Engineer, Upper Cauvery Division, Krishnarajanagar, on payment of Re. 0–4–0 per form. Tenders submitted in other than printed forms will be rejected. No cheque will be accepted.

Each tender should be accompanied with Treasury Chellan for Rs. 350 as earnest money paid to the Treasury to the credit of "Revenue Deposits". In the chellan it should be mentioned the designation of officer on whose behalf and the name of work for which the amount is deposited.

The tenders without chellan for having remitted the required earnest money deposit will be rejected.

It should be clearly noted on the cover whether the chellan for having credited the earnest money deposit is

enclosed. If it is omitted the cover will not be opened, and rejected as it is.

The tenderers should quote rates only for the units and nature of work specified in the tender form. If rates are quoted for alternative works instead of specified nature of work, such tenders will be disqualified.

The final acceptance of the tenders rests with the Government, which is not bound to accept the lowest or to furnish any reason therefor.

Estimates and plans will be available for reference in the Office of the undersigned and any other particulars required on all working days during office hours.

The successful tenderer should bind himself by the departmental rules in force and execute the necessary agreement within a week of acceptance of the tender, failing which the earnest money will be forfeited to Government.

Quantities noted in the abstract estimate are only approximate and may be less or more.

The rates quoted by the tenderers should hold good till completion of the work irrespective of the fluctuation in rates.

The rates quoted should be inclusive of all existing and new taxes payable as per Government rules.

In case of any accident to the labour employed by the accepted tenderer, he should pay compensation to the injured as per rules, failing which the amount will be deducted out of bills and other claims and paid to the injured.
